We have a variety of lovely rooms for you to choose from, including [studios](#) with one or two queen beds, or a king bed, [one bedroom suites](#) and our [luxurious penthouse suites](#) that boast a 360 degree view over looking the Inner Harbour. Every room reserved for winter long stay reservations is non-smoking and is also equipped with a full kitchen. Also, do ask us ask about our rooms with [Park & Partial Harbour Views](#). All room types are subject to availability.

GREAT VALUE...

Our rates offer great value as they also include [daily extended continental breakfast](#), [covered parking](#), invitations to special [meet-and-greet lunches](#) hosted by the hotel (late January to end of March) as well as invitations to off-property activities organized for guests of our Winter Getaways Program. Weekly rates are available for stays of 7 days or longer and monthly rates are for stays of 30 days or longer.

As a guest of our Winter Long Stay Programme, full housekeeping service is provided twice a week (including bed linen changes), with towel and garbage service on all the other days.

VICTORIA, A BEAUTIFUL WORLD CLASS CITY...

Boasting Canada's mildest climate, it's not surprising that Victoria is such a popular Winter getaway destination. Visitors enjoy year-round ocean-side walks, strolls through well manicured gardens, golfing on many nearby greens, walking and cycling on the endless beautiful nature trails, including the Galloping Goose Trail.

Also enjoy the diversity of the arts, entertainment and culture Victoria has to offer. Visit the local theatres, attend a Victoria Symphony performance, experience a Pacific Victoria Opera production and take-in the various museums, such as the nearby Royal British Columbia Museum.
