Winter Long Stay Program

*“A Great Hotel in Victoria’s
Best Location...”*

VictoriaBestWestern.com

Welcome. . .

Thank you for enquiring about our Winter Long Stay Program (**WLSP**). We would be delighted to have you as our guest during your escape to Victoria, Canada's City of Gardens. Our WLSP was first introduced in 1992 and the popularity of the program has seen many of our guests return year after year.

Our beautiful hotel is most conveniently located in Victoria's best location, at the Inner Harbour. We have a variety of lovely rooms for you to choose from, including studios with one or two queen beds, or a king bed, Park & Partial Harbour view studios, one bedroom suites and our luxurious penthouse suites that boast a 360 degree view over looking the Inner Harbour. All of our rooms are non-smoking, and WLSP rooms all include a fully equipped kitchen. Room types are subject to availability.

Great Value. . .

Our WLSP rates offer great value as they also include **daily extended continental breakfast, covered parking**, invitations to special **meet-and-greet lunches** hosted by the hotel (late January to end of March) as well as invitations to off-property activities organized for WLSP guests. Weekly rates are available for stays of 7 days or longer and monthly rates are for stays of 30 days or longer.

As a guest of our WLSP, full housekeeping service is provided twice a week including bed linen changes, with towel and garbage service on all the other days.

WLSP rates are a very substantial discount over the regular rates offered at our hotel. In consideration of which, Best Western Rewards points (or equivalent) will not be applied to weekly & monthly stay rates.

Victoria, A Beautiful World Class City. . .

Boasting Canada's mildest climate, it's not surprising Victoria is such a popular winter getaway destination. Visitors enjoy year-round ocean-side walking paths, strolls through well manicured gardens, golfing on many nearby greens, walking and cycling on the endless beautiful nature trails, including the Galloping Goose Trail.

Also enjoy the diversity of the arts, entertainment and culture Victoria has to offer. Visit the local theatres, attend a Victoria Symphony performance, experience a Pacific Victoria Opera production or take-in the various museums, such as the nearby Royal British Columbia Museum.
